

RAYLEIGH PRIMARY SCHOOL

Dear Parents,

Just to remind you that the School Council, in discussion with Class Councils, devised the following Sun protection policy:

- ⇒ The children are to be encouraged to bring sun hats into school.
- ⇒ On hot days the children should put on sun cream before school. Sun cream is not to be brought into school.
- ⇒ Children may bring water in named bottles to school. (This is already permitted)
- ⇒ Parasols (supplied by the PTA) are to be placed on three benches in the playground for additional shade to supplement plants/trees already planted.
- ⇒ Teachers will discuss sensible sun protection measures with the children and A Sun Assembly will take place at the beginning of the Summer Term.
- ⇒ Our Sports Days will take place in the mornings from now on, were every possible, to avoid the hotter time of the day.

The School Council apologises that having written a Sun Protection Policy. It is sure to rain!

From The School Council.
